**Jean Clark RHIA CSHA, Jodi L. Eisenberg MHA CPHQ CPMSM CSHA : The Joint Commission Mock Tracer Made Simple** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Joint Commission Mock Tracer Made Simple:

1 of 1 people found the following review helpful. very informative bookBy ThistleAt first glance, this book looks very expensive but when you think that it will never be a best-seller, they have to make money somewhere. You also get a code to have the book on your computer. This is a very informative book. I recommend it.

Proven strategies for Joint Commission survey readiness This updated edition of our annual best-seller includes new tools and case studies of successful tracers from facilities around the country. Through a clear and concise breakdown of standards in an easy-to-understand mock survey checklist format, survey committee leaders will be able to easily delegate the right forms to the right people on their committees Each checklist is downloadable and can be customized

to fit the specific needs of your facility. What's new in this year's edition Mock tracer tools that you can customize and implement at your facility Case studies of successful tracers used by hospitals around the country Sections on tracer methodology and changes to The Joint Commission's leadership and medical staff standards Modified scoring and new implementation benchmarks for the National Patient Safety Goals Policies and procedures for each standard, including the required elements of each Downloadable tools and forms that you can easily distribute to different departments Benefits Identify and address compliance weak spots in time for a survey visit Train staff on their roles in a survey, and gauge your facility's level of preparedness Embrace the first-hand experience of the authors, who have put together tracers in hospitals Organize your department with survey simulations and effective checklists

About the Author Jean Clark, RHIA, CSHA, is the director of health information services, at Roper St. Francis Health Services in Charleston, SC. She is a past president of the American Health Information Management Association (AHIMA), was named AHIMA's 2000 Distinguished Member, and is the current vice president of the International Federation of Health Records Organizations. Jodi L. Eisenberg, MHA, CPHQ, CPMSM, CSHA, is program manager of accreditation and clinical compliance at Northwestern Memorial Hospital in Chicago. She is responsible for leading the full range of Joint Commission and other accreditation and regulatory compliance activities.
