**Patrick W. Nee : The Key Facts on Medicare: Everything You Need to Know About Medicare (Usable Medical Information for the Patient)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Key Facts on Medicare: Everything You Need to Know About Medicare (Usable Medical Information for

the Patient):

The Key Facts on Medicare provides readers with essential, easy-to-read information on the nationwide healthcare system. Compiled in a simplified manner, this guide helps patients navigate the complicated world of Medicare without enduring the complicated nature of medical terminology or fine print. By making a patient-friendly manual to the plans and inner workings of Medicare, one can easily determine what steps they need to take to receive the best healthcare coverage possible in the most efficient manner.
