0 of 2 people found the following review helpful. Low back and pelvis By judith logan This was to replace the one that I had that got taken by a patient. The one I had was inscribed by A.L. Logan but I'm happy to have the book again.

The Low Back and Pelvis is the third volume in the series of technique manuals featuring chiropractic techniques of the late A.L. Logan, DC. To be used by students and practitioners, this book presents and effective approaches to treatment of the low back and pelvis. Case histories, examination and adjustive techniques, exercises, and numerous

illustrations are included.
