**(author) Peter K. Kaiser, (author) Roberto Pineda (author) Neil J. Friedman : The Massachusetts Eye and Ear Infirmary Illustrated Manual of Ophthalmology (Paperback) - Common** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Massachusetts Eye and Ear Infirmary Illustrated Manual of Ophthalmology (Paperback) - Common:

Featuring color images with treatment guidelines and a template, this title is suitable for ophthalmic trainees, primary care practitioners and emergency trauma units.
