Angelo Depalma Ph.D. : The Natural Pharmacist: Your Complete Guide to Vitamins and Supplements before purchasing it in order to gage whether or not it would be worth my time, and all praised The Natural Pharmacist: Your

Complete Guide to Vitamins and Supplements:

0 of 0 people found the following review helpful. DRUG BOOKBy SHARRON SHARPVERY HELPFUL WHEN I NEEDED TO KNOW ABOUT DRUGS I WOULD BE TAKING OR SUPPLEMENTS I WANTED TO TAKE. PLEASE ALWAYS CONSULT A NURSE OR DOCTOR IF YOU WANT TO MIX MEDS.6 of 6 people found the following review helpful. An excellent and lucid piece of work with great scientific mBy A CustomerA complete easy to understand review of the vitamins and supplements citing solid scientific evidence is presented without any bias. To the best of my knowledge, it is the first time that a book on this subject matter has been written from an objective point of view. The author writes clearly with a style that shows that scientific matters can be expressed in a language that can be understood by people of every walk of life. I also recommend the book to those individuals who want to learn to write concisely and clearly.
