## **Caryn R. Johnson, Arlene Lorch, Tina DeAngelis : The Occupational Therapy Examination Review Guide**

before purchasing it in order to gage whether or not it would be worth my time, and all praised The Occupational Therapy Examination Review Guide:

0 of 0 people found the following review helpful. Three StarsBy CustomerIt helped, but not a ton.0 of 0 people found the following review helpful. Four StarsBy CustomerThis book was excellent0 of 0 people found the following review helpful. Four StarsBy Fernando F. ResendeVery Good!

This text helps students revise for the NBCOT OTR exam, providing 1000 review questions in five practice examinations which help identify areas of weakness and improve test-taking performace. The questions aim to help students become familiar with the question format in the actual examination. The book comes with a free CD-ROM

that contains over 800 questions from the book, which can be customized into multiple practice exams. This work provides information on applying for and preparing for the examination, followed by test-taking tips. Answers to all questions are provided, along with detailed explanations and references.
