**Robert W. Katz : The Physician's Survival Guide to the Business of Medicine** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Physician's Survival Guide to the Business of Medicine:

A guidebook addressing the three major financial centers in every physician's life: the medical practice, the pension plan and personal finances. Listing cases and examples, the author addresses these three interrelated financial centers in a two-phase process how to conduct practice management review and then how to use this process to establish an ongoing system for successful total financial management.
