Alan Maynard : The Public Private Mix for Health before purchasing it in order to gage whether or not it would be worth my time, and all praised The Public Private Mix for Health:

Recent changes to the health service including new structures and ways of working at both local and national levels are having major influences on the working lives of every health visitor and community nurse and on their professional opportunities. Understanding these changes is essential and this practical and authoritative handbook addresses them all. The authors all have first-hand experience of the radical changes underway. The clear

straightforward format is designed to allow quick access to relevant and up-to-date information. The book is vital reading for every community practitioner.
