**John Duffy : The Sanitarians: A HISTORY OF AMERICAN PUBLIC HEALTH** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Sanitarians: A HISTORY OF AMERICAN PUBLIC HEALTH:

0 of 0 people found the following review helpful. Five Stars By NW Native Very informative history. 0 of 1 people found the following review helpful. events and people who have generated development of US public health system. By William Helpful historical review. Would appreciate more informed editorial comments re factors or events

that have caused favorable development of US public health system 1 of 5 people found the following review helpful. The Sanitation Movement By Joseph J Grenier The Sanitation Movement in 18th, 19th, and 20th century American Public Health is described in detail. Some of the independent movements are left out. It is a long read which is boring and a little tedious at times. Overall an above average book on the subject matter describing the Sanitarians.

"The Sanitarians is so well documented and astutely presented as to make it a definitive reference text on the subject of American public health." -- Matthew J. Kleinerman, JAMA. "A magisterial account of the American public health movement. Duffy is to be commended for the impressive job of research and interpretation the has done... It will be of great value to future generations of historians." -- Nancy Tomes, American Historical
