David Austin, Michael E. Crawford : Therapeutic Recreation: An Introduction (3rd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Therapeutic Recreation: An Introduction (3rd Edition):

0 of 0 people found the following review helpful. It is super outdated and not very helpfulBy ashleycfI bought this book for an Intro to RT class and I was very unhappy with it. It is super outdated and not very helpful.0 of 0 people found the following review helpful. Good book for professionals.By Kate WhitelyA good refresher for me. I majored in this back in the 80's, when it was Recreation with an emphasis in therapy. That was at the beginning of the profession. A lot has changed since then. This helped me get up to date on the profession.0 of 0 people found the following review helpful. Three StarsBy Bennet JeffersonIts just an OK Book new editions are available.

This comprehensive book is a helpful resource in understanding therapeutic recreation and the challenges presented by clients. Now in its third edition, this book is based upon a systematic approach to therapeutic recreation service. It combines knowledge from professionals in the field of therapeutic recreation with current research findings, case studies, and an accessible writing. For anyone with an interest in therapeutic recreation.
